Hallowed Peak (2022) Story Recaps

1 - **LITTLEFIELDS LETTER** - Littlefield gets a genie which results in Narvis being reassigned to another post office. A fake letter from Jonas was the Djinn in disguise, which also created a talking platypus for Sparks

2 - **GNOME STONE UNTURNED** - Nethersole is reunited with Queen of Gnomes in a romantic fashion after clearing up that Jonaco ruined Area 14, not Miramine

3 — **THE PLATYCURSE** - Halloway thinks they are cursed, with a mark on their leg in the shape of a platypus. Health and Safety sends you to have your brain 'cleansed'. Marks are caused by Eggs of Trust, which are made up of diamant

4 - **THE JONAHEDRON** - Jonaco is sending people back in time, Copper's Grandfather Rusty being one victim. Spector and Vox are investigating

5 - **HORROR BY HOGWOOG** — Hogwood's mother is sabotaging their films — A cursed camera used to film made it happen. Mother never approved...

6 - **THE WEREPLATYPUS** — Rexford, the old Plat-Man was recreated by Dr Silver and JonaLabs. He nows calls himself Gerald and writes greeting cards after running away due to the stress of not living up to Silver's evil standards

7 - **SQUATTERS RIGHTS** - We used salt to get rid of the haunted doll possessed by an imp which haunted Phantom Peak (caused by Sparks and The Resistance) - it was causing health and safety issues with expansion in the old town

Hallowed Peak (2022) Story Recaps

8 - **The Mayor's Watch** - Pockets watch is haunted by a ghost- wrongly believed to be Mayor Furbish's - which means it needs to be destroyed.

9 - **The Silver Children** - Sparks was running a club based on their love of JonaCola - they rebranded as The Silver Children but Sparks shut it down after a spooky encounter.

10 - **Perigiest** - Despite believing she was pranked by The Resistance, it turns out a ghost called Sam was trying to get her attention for a date!

11 - **The Numbers of the Beast** — Arrogoth, a demon summoned by Cogwright to be better with numbers, wants a job as a Jonaco accountant, Stickler helped out in the end by arranging an interview!

12 - **Medium at Large** - helped Madam Mechanica escape from RoboDoc and Jonaco's clutches!

13 - **What do you think you are** - Datchery's Grandfather turns out to have buried his grandson in their family crypt in an attempt to steal Miramine from them.

Secret Trail:

14 — **A Special Invitation** - We have been noticed...Jonas is aware of us now...
