Pilot Season Story Recaps

1 - LOFTY AMBITIONS - Sparks is in the resistance! But he needed to destroy vital intel to protect the resistance group called "The Cooperative"!

2 - THE GREAT RANK GLITCH - Littlefield is rank zero thanks to Jonas being weirded out by them. We like Littlefield!

3 - GHOSTS IN THE VIDEOMATIC - Cogwright's dad is the ghost in the machine messing with stuff. Cogwright told you the Videomatics were actually made by their father - and he uploaded his mind to the system. He haunts them as a final act of revenge against Jonas.

4 - QUESTION ME THIS - The Questioner is Cogwright, who is the one who runs the Jonagraph

5 - BLIMP FUEL MELTS WOODEN BEAMS - DR Winter used a diamant based medicine overdose to poison the mayor and therefore caused the blimp crash

6 - THE WOLF AND THE PLATYPUS - Jonas is using diamant and infusing it into film with negative results for those who watch - The film is Hogwoods project!

7 - THE PHANTOM OF THE DEEPS - Sparks believes it's a ghost, in fact its someone Jonas is hiding

8 - THE PLAT-MAN - Its Rexford, the one who runs the tours in the old town. Nethersole shut down the experiment to mix Platypus and Man.

Pilot Season Story Recaps

9 - The Last Resort - It was Datchery's father, the former owner of Miramine who caused The Geoquakes with a rogue drilling machine called "The Last Resort" that's still loose underground.

10 - The Axiomatic Clock - Weird portal (given to pocket by Jonas) to another dimension that tastes of hair and purple! Hogwood survived the trip

11 - No Stone Unturned - Sparks took a girl "F" away, Florence Young, who was just Grubediah Stubbs in an all-new body. Nethersole felt quite responsible for Grubediah's death during a rock hunt

12 - Whats Up Robodoc - Ended up creating a new mega consciousness instead of hooking Robodoc up with Madame Mechanica

13 - The Blame Game - Pockets CLONE stole the hat, and he's much better than the Pocket in Phantom Peak

14 - The Platypus Problem - Ender believes her pet has run away to the circus - he was actually taken prisoner due to Ender's role in selling up phantom peak to Jonah

15 - Paternal Flame - Gifford believes that Jonas might be their father - it turns out the old mayor is their actual dad - and is still alive!

16 - The Jonaco Union Spy - Narvis the DJ is suspected, after digging you find Sparks is the spy and you decide to frame Pocket
