Christmas At The Peak (2023) Story Recaps

1 - **A WINTER WONDERLAND** - You find mention of a scheme to protect against Father Platmas, which you join via Dr Winter. Purple diamant has been stolen! Clues point to Spectre, who denied it - they 'borrowed without permission'! You learn more and discover white diamant is needed to stop Father Platmas. You find some, take to Winter and then find out he's not trying to solve the problem - he's draining funds with their massive new lab and destroys the sample of white diamant.

2 - **PARENT COMPANY** - Littlefield wants to be adopted by Jonas - that's not happening! You try to help, even offering them up to Pius! Unfortunately they're banned from joining the church cos they need to be emancipated from their parents. Then, Perigate helps by reclassifing them as Printer Paper, enabling Jonaco to adopt them.

3 - **WHERE ARE YOU?** - Hogwood has been chased out of their cinema. She employed a team of teens and a dog to help! You find them dead and find an innocent Yeti who just wants Hogwood to watch their film and receive an award for comedy - even though Hogwood makes art!

4 - **MAYOR OF THE UNIVERSE** - Pocket has received a gift -a puppet - and is convinced it's from their future love. You ask Hogwood who denies things and check Pocket's profile on Jumble and see an interdimensional error. You uncover the Council of Pockets - Pockets from across the multiverse. The puppet wants to be Mayor of the Universe, attacked RoboDj - the deputy mayor - and is now coming for Pocket! You warn Pocket of the dangers and tell him to kill it with fire

5 - **MERRY MAYHEM** - Sparks is looking for someone to help trap Terrence! You check the squat but someone has triggered the trap Sparks set up! You discover Terrence and Hustlepus Uni look to be involved but Terrence says its JIA that's after Sparks! They mention a prophecy from Madame Mechanica that Sparks will be Jonas in the Jonativity. You find out he needs to workout and teach them their new workout plan!

Christmas At The Peak (2023) Story Recaps

6 - **THE PLATMAN CLAUSE** - Datchery is wishing she had Father Platmas's business model! She's feeling weird cravings so you consult RoboDoc! You learn of another Santa who died from Explosive Bowel Disorder and it appears datchery is turning into Platmas and this could also be her fate! You advise her to destroy her wish receipt to stop the transformation

7 - **THE PARENT TRAP** - Perigates parents are in town (ugh!) and disguised as staplers. You hunt then down and learn they are disappointed in their child and are trying to set them up with Dr Winter! He marblised them and you return them to Perigate

8 - **THE GRONCH** - Someone has trashed the undertakers and covered it in green fur. You ask about and find out about the Gronch and their cereal and later discover Jonaco meddling! You find out it's a man called Elis who is being slowly transformed. Robodoc told them to hide in a coffin so they hid in one in the Undertakers — You let Halloway know of their hidden guest

9- **PARASOCIAL ACTIVITY**- A model of the Spectre and Vox office has been left with Spectre. The Model Maker is back and Spectre is worried about Vox. You join the S&V fan club run by Perigate and find fan fiction by Bunk wishing Vox dead! Bonk has trapped Vox in a model in the Hall of Art - you go to free her by alerting Spectre that Bunk is in the mirrors

10- **HOW THE QUESTIONER STOLE WINTERMAS** - A painting has been defaced, at the Hall of Art, of Platman, they suspect The Questionner but Cogwright says they're being framed. You go investigating and find someone called The Matchmaker behind things. It's Cogwright's Mum, trying to get Platman and The Questionner together!

Secret Trail:

11 - **HOME FOR THE HOLIDAYS** - You intercept a videomatic from Furbish to their contact, Deputy P (Perigate) saying they agree to terms... and they're awaiting a reply. Perigate is working for Terrence and wants out! Terrance appeals to Furbish and promises to punish the Peak with a special parcel. You try to intercept it but Littlefield has already let it go...
