Hallowed Peak (2024) Story Recaps

1 - Failure Is Not An Option

Perigate is looking for someone to ruin their reputation to get them out of going to Space by failing their induction. You run around town failing all the JASA tests but Pocket isn't falling for it. The only way is for Perigate to join the resistance and annoy Jonaco! Copper wants them to prove themselves by destroying the Statue of Masculinity - only possible by orbital strike! You fire the strike and trigger a code head and have to report to Lovehart who declares it's actually great for Jonas and Perigate is promoted to Space Supervisor! You let her know she's going to space but the promotion seems to balance things out!

2 - Brometheus

Spectre is owed money from a high society member and wants your help getting their money. You learn you can fake credentials for high society with Klacky and then go to Datcgery to get an invite to a posh party. You seek out Alfonse - the one who owes spectre money - and find his chest exploded! You track something in the vents. Turns out to be an alien called Xeno who's trying to communicate that it left an egg behind and needs Spectres help. (the bursting out of the chest thing is just part of the reproductive cycle!). You grab the egg from Jonapost and take it to spectre to take into space and save Xeno's species.

3 - Look Who's Talking

Hogwood is looking for Stage Hands to help find her stolen doll Hopscotch and she suspects Grigonna (her mother!) You find the Pyramid of Disappointment and learn G wants to talk to Hpgwood! You learn G has left some Art for Hogwood which leads you to the Paracryptic Mirrors where you find out she wants Hogwood to quit and take up dentistry. You also learn that Hopscotch left to perform a one doll show! You go to see it and see a grizzly site - they want to play a game! You start with Sparks who gives you a Monstermon Card to fight Hopscotch's! Finally, you go to Winter and play a game of dice but have to trade your new Monstermon with Winter for their help! Finally Hopscotch wants Hogwood to perform on a Game Show together before they return! You take part but Hpgwood shuts it down before Hopscotch gets too homicidal!

4 - Tricky Treats

Datchery has had teenagers stealing all her Billy Bonka chocolate looking for a Purple Ticket to meet Bonka themself! You win one and learn the teens are crones and have captured the Candyman - aka Bonka! They want to summon the REAL Candyman so you ask Halloway who has previous experience! You learn the Legend of the Candyman, and that their summoners are in Manes Lake. You call to beg them to stop and eventually find their remains at My Absmore and a note that leads to a call with the Candyman - they want a dental appointment! You go to Robodoc for help - as a result the Candyman has left Datchery a gift! They turned the crones into sweets to keep Datchery safe

5 - Absnormal Abduction

Rexford is convinced they've been abducted by aliens! You find an artifact and learn someone thinks Hogwood might be an alien - they're were just acting - but you discover the artifact is Jonaco property - they're pretending to be aliens!. You sign a NDA with Lovehart and learn Jonaco is stealing Rexford and Platman's blood with Project Legion trying to make more Platmen! You stitch up another townsfolk to dress as Platman, therefore stopping Rexford from death by blood loss.

6 - The Silence of the Toys

Littlefield has had some of their toys stolen! They suspect Egbert Simpbury so you investigate and find a videomatic of King Bendy holding them hostage. You find the toys in the abandoned squat and learn King Bendy is leading toys to slaughter their 'gods'. Bendy is looking for the JONACO Knife to kill Littlefield - you need to convince Littlefield to kill Bendy before they kill first. You find King Bendy trying to get the knife and take them to Littlefield for them to end the saga

7 - The Shape of Goo

Winter is convinced there's an alien shape shifter in town! You track them on CCTV to the Jonagraph and ask Perigate about it. She says it was ringing it bell in a weird pattern (morse code) which translates to HELP GRAVEBARK. You find it's refers to Graham Bark and you find a videomatic of them experimenting with transforming themself into a half man half platypus. It goes wrong and turns him into the shape shifter we are hunting. You find a note to his Mama and you learn they got the idea from an episode of The New Adventures of Jonas. You watch and learn Spectre and Vox specialise in shape shifting goo and make contact with Graham via the mirrors. Turms out Dr Winter can help do you ask for their help but they decide to destroy the goo Graham instead!

8 - Final Countdown

Pocket has started a self destruct for the town - but they think it was actually Terence! You check on it but they've been captured for trying to blow up the moon. You learn you can win the chance to talk to them by joining Hustlepus University. When you chat to them, they mention Pocket is cursed and you watch the story of their meeting with the Wizard of the Mines where they are warned not to activate the self destruct! You talk to Sparks and join the Wizarding Club to learn more and find out the Wizard looks a lot like Furbish. You check their grave and watch the videomatic listed to find out Pocket found Furbish on the mines! You learn of the prophecy and find a crown to help Pocket pull a sword from a box and break the curse (which doesn't exist, Furbish just saw it coming and gave the command to cancel the countdown!)

9 - Viva La Resistance

Copper is looking for a new leader for the resistance - first job, fire Sparks! (Jonaco wants Sparks in charge cos they're useless!) Next you learn the values of the resistance - Bravery, Freedom and Coolness! Platman has all these qualities but you find a grave for them! Has Platman died? You offer your condolences to Rexford and suggest they might be a good leader but they suggest Terence the Talking Platypus - who will consider it of you help them break out of the JONACO 5 star prison! You use Klacky to hack the security and get them out. They suggest you speak to Lovehart to rebrand the resistance - which also makes you realise Copper is the only logical choice to lead it! You go back to talk her into taking on the lead job!

10 - The Good, The Bad and The Milky

Halloway is looking for Bread the Bounty Hunter - so you pose as them to get the gig. They've had their dynamite stolen! You start with the trail from the undertaker and find reference to Sherrif Rexford so you talk to Rexford - the Sherrif was their Uncle (AKA the Milkman) so you find them and call via Jonagraph. You're interrupted by the Banshee Bandit. You watch a film on the Bandit and learn about the Hold Em Steal - which Halloways Mother was involved in! She shot the bandit - according to the bandit anyway! You need to beat them at poker to stop them so you ask Copper for help as the resident poker expert who gives you a rigged deck to help you beat the bandit!

Secret trail: 11 - The Great Undoing

People are collecting up gifts from the heavens so you talk to Pius about collecting meteors - his speaks to him and gives a videomatic code. You watch and learn "the axiomatic rift is ready" and the Jonaco mark 3 rocket is ready to go with captain Perigate to begin "the great undoing" - but it appears this videomatic is 2 years into the future - since the Mark 1 hasn't launched yet! You ask Perigate and they mention the Quantum Mailbox whispers to them so you speak to Littlefield and find a strange letter thanking Winter for their assistance with the Mk 3. When you show Winter the letter they mention they have a meeting about the contents...tomorrow. They thought it was an impossible task but this proves that it's doable and they offer a gift for your silence
