Spring At The Peak — The Festival of Innovation (2024)

Story Recaps

1 - CHRONO THE WONDER DOG - Rexford has lost Platmans dog, Chrono! You delve around town and discover that Chrono has actually gone back in time and was Rexfords childhood pet the whole time!

2 - SOME BODY TO LOVE - Halloway has asked you to get to the bottom of the death of their mentor - Master Bones - and find their real name so that they can be laid to rest. You learn they had an axiomatic watch and investigate further. Further digging shows MB is Mason Briggs - Jonas's mentor and co founder of Jonaco - and Jonas gave MB the watch as a gift.

3 - THE FEAR FACTORY - You find an advert for a Fear Finder targeted at Dr Winter. You find out the machine is made by the Moderately Attractive Ghost Collective. You apply to join and learn the Fear Finder was actually made by Sparks using Brain Pills! But it appears the dreams the pills cause are more sinister than usual. After a bit of exploring you find out Fear Finder was made by Furbish and wants to team up with Dr Winter - who splits the town 50/50

4 - SCALY UNDERBELLY - Datchery has bought an illegal mystery box which seemed to have gone back to sender. You find the seller who points you to Pius and Robodoc who tells you the crate is behind Hall of Art - which you find contains a broken egg. Turns out the crate had a Bureausaur (an accounting dinosaur put in the crate by Platman after a misunderstanding!) in it - and only Datchery can help them escape! You let her know so she can sneak them out during the closing ceremony.

5 - THE PHANTOM OF THE PICTURE HOUSE - Hogwood has fallen for a man in a mask! You find their Jumble profile and follow the steps to try and get a ticket to the Masked Lovers Ball. After a lot of digging you discover Alvin Sheldrake, the man in the mask, doesn't want Hogwood, they want their help finishing their movie, the script for which is under the floorboards. You help finish the film with Hogwood.

6 - THE VERY BEST - Litrlefied has lost their pet rock! You offer your help and find a note from the rock on Monstermon notepaper. You begin the task of becoming a trainer but it's hard! You talk Sparks into giving you your first Monsteemon. You take your new monster into battle against Little Rock, where you learn about Dash, killed by Little Rock (Littlefields Pet!) who you can't beat! You trade for a paranormal type with Spectre and beat Little Rock so badly it killed them! So you find another rock and take it to Littlefield and convince them it's their lost pet.

7 - THE DEVIL YOU KNOW - Jonassist has deemed you a tech nerd so you enter an I.T contest with Klacky. You report to Spectre for your first assignment - fixing their Phenrograph for the innovation festival. You discover other tech issues - including Robodoc malfunctioning - because Klacky has gone rouge! You go and tell Cogwright to shut him down but get told to speak to someone called Jim...hard to do when Klacky is shutting down Videomatics! You try to write a letter to Jim for help...but he's dead! After some digging around you discover Klacky's real name — he's a demon called Migas. You help broker peace between Migas and Spectre — but it might be at the cost of Cogwright and their chances of winning the Innovation Festival's grand prize!

8 - SWEET DISPOSITION - Pocket has a problem - The Prince from Barrow On The Hill has been turned into a sugar cube! You offer your help and investigate! You find the Glucuber, and learn from Hogwood how it works...including her introducing her jar of Glucubed friends! You keep digging and learn The Wizard is behind the attack on the Prince. You talk to Winter who agrees to make a somewhat functional clone for Pocket

9 - THE LAST LAUGH - Perigate is looking for help dealing with a terrifying clown called THAT! You follow a trail of balloons to the old squat and find THATS's next victim is The Artist (AKA Hogwood). After following their info, you discover The Amazing Eunice, a clown who was beaten by a bunch of brats led by a young Perigate. Turns out Perigate was suffering from a condition called Clownitis, hallucinating evil clowns, curable by a red nose and that those brats were Hogwood and Datchery! You tell Perigate you destroyed the Interdimentional Spider to cure them.

10 - NOTHING BUT THE TRUTH - Prostlebot - an invention by Pius - has been accused of murder! You find an article in the saloon that leads to an interesting reenactment and info that Perigate may have some evidence - Blood! Turns out to be fake blood, and Jonaco think a fan is behind the framing of the poor bot. You find a recording from the Church revealing the Platypope was behind it - as a marketing ploy for the church! You yet Pius know what you find.

SECRET TRAIL:

11 - STRAIGHT TO THE MOON - Littlefield has spotted something in the sky, but it's flashing in morse code! You try the code in a Videomatics and find a hidden code. Using this reveals Operation Moonshot - a plan that will apparently change everything and realign the balance of the universe.... Pocket has heard that there is 2 halves of something - one down here and one up there! They bribe you with a card to keep your silence
