Wintermas (2024) Story Recaps

1 - The Hum Bug

Sparks has a song stuck in their head and needs your help! Turns out the Ear Worm is back! You reach out to Bellamy - the last Ear Worm's target - and learn about 50 Shades of Wintermas by DojaPlat! Watching the music video you learn a rank 2 JONACO employee is behind the video. You reach out and find Spectre is the head of the DojaPlat fan club! You ask how to contact DojaPlat and learn about their Jonavision show. Turns out DojaPlat is just Terence in a wig! They caught a bug from Pius so you search out the priest and find the Hum Bugs nest is in the JJR game. You beat it and learn you can only defeat a Hum Bug with an Ear Worm - Platypus in the Snow!

2 - The Final Question

Platmas wants to give back this Wintermas so you find Rexford...their "best friend". They are looking for the Questioner so you apply to be their sidekick. You are given an ominous postcard and find a trail of tasks set by the Questioner. You solve each in turn and end with a film in the Picture House which reveals Cogwright at the Questioner. You search their old office (the Jonagraph) with Perigate's help and find they have left behind a movie. You watch and find they've broken a Jonagraph - you follow the trail to find a note written to Cogwright Senior and learn that their father is "HOW" The Questioner exists. You find a piece of Art asking "Who am I without You" and a hidden Videomatic code - which reveals a letter. When decoded, you learn they've left something with Rexford - their tie. You let Rexford know their nemesis has left town!

3 - Live and Let Dad

Pocket is expecting their absent Dad for today's festive proceedings but they're in hiding (Dad's a Spy!). Pocket thinks if you attack their dad's nemesis they'll have time to see them. Turns out "Dad" is super spy Jasper Blond! In a TV show it appears they've had a bad break up with Terrence - but Terrence's tell all explains a different story. You ask Copper about Blondes whereabouts and learn they are in the resistance and caught breaking into a secret lab. You try to use Klacky to rescue them but you learn they're not Pockets father - they can't be, they don't have the 'equipment'! You go to Jonapost to find their death cert and learn via Robodoc the DNA is linked to Project Bubble Boy. It appears that Winter (PAPA) was leading the experiment and reveals Pocket has no father. Their mother, Donna, has pocket lint combined to make Pocket. You convince Hogwood to play Dad to avoid an explosive meltdown!

4 - Dial P for Puppet

Hogwood needs a detective - Todrick the Toad has been murdered! You watch their video obituary and learn they left everything to Lady Oinkerton! You find her album and jumble profile and find out they're being investigated. You watch their interrogation and learn she told JIA Datchery did it! (He had it coming!). As you investigate, Lady Oinkerton is killed so you head to the summerhouse and speak to Sherlock Bones and find Oinkerton STABBED! You learn Mr Knuckles, an actor from Hogwood's films, is the culprit and they're after Hogwood next! (They're jealous about just being a red glove when the other puppets are nicer) You go to warn Hogwood and confront Mr Knuckles!

5 - The Darkest Friday

Halloway is looking for a Black Friday Fighter so you offer your services - they're looking for a copy of the new Monstermon game! You find out about a competition to win a copy and join in. You win a copy and head to Pocket to collect your copy but it appears Egbert Simpsbury has stolen it. You head to his Simp Cave and find a Paracryptic Word! You head to the mirrors and learn about the Omegamon (an evil part demon, part pixelated monstermon!) - and learn Simpbury is stuck in the JonaComms central screen. You find him and learn you need Klackys help to capture the Omegamon. You succeed but it's not enough to purge them from the code and you trade some bone dust with Winter to transfer the Omegamon to a disk so they can properly be defeated!

6 - Two and a Half Perigates

Littlefield is looking for Wintermas Elves and you volunteer. First job - deliver a top secret letter to Perigate from her parents who want to replace her! You watch a compilation of Perigates worst features made by two pies (Parents in Disguise!). You investigate and learn they asked Halloway to throw a party for... New Perigate! Perigate 2 is a dog! They bested OG Perigate at Lacrosse and took over their Jumble dating profile. You lose at the JONASituation quiz and now Perigate 2.0 is challenging OG Perigate to JRR - Jonaco Rhythm Revolution. You beat their high score and contact them to find they're a double agent waiting to get those evil parents...they're on Perigates side and sent them a gift! (A severed finger!)

7 - Quantum of Postage

Littlefield is looking for help with their Quantum Postbox - they sent Jonas a Wintermas Card! After they try percussive maintenance they receive an error code. You find a message from Terrence and try to join the Quantum Mail Team to find out more. You learn from Sparks that it's not a safe job - and find Quantum Mailboy trapped between dimensions. Apparently Lovehart stole Littlefield's letter - which you learn is on Mr Kim's command! You tune into a conference call with Mr Kim (Head of Marketing) who says that the letter might cause you...issues. You learn of Project Big Top and hack Kim's computer. You learn they want to take Jonas down and frame Copper and Littlefield with a Quantum Donut which will trap Jonas in another dimension! You speak to Copper who is holding it and convince them not to send it to Jonas, despite them having Jonas's address thanks to Littlefield

8 - A Ring To Roll Them All

Pius has set up an exhibit for Wintermas: The Ring - a special artefact for the Church. You go to view it but it's been stolen! You follow the trail to the squat where you find a game of Dungeons and Dirigibles in progress. You decide to learn more so make yourself a character sheet and go to Sparks to play. They let you know their DM (Perigate) has the ring so you go to ask. They let you know one of their players in a mask has it but mention a tapestry in the Archive where you learn the ring bearer will suffer! You find out Pocket has been breathing fire - they stole the ring!! You roll to release Pocket from the Ring Lord and find a Paracryptic Word! You learn the ring increases the wearers persuasion. It can be undone by casting the ring into the lake - so you persuade Pius to destroy it with lake water!

9 - Inner Spectre

Spectre is feeling a bit ill - they think it's due to the protein powder "Jonatine" they've been taking. You see RoboDoc and they suggest taking the fecal sample Spectre gave you to Winter and they find a signal coming from the sample!! Turns out the Racoons have built a sub and have shrunk down to invade Spectre from the inside! Datchery saw a flaming racoon running into a vent so you track them across town - they need your help! You use Klacky to help guide Walter the Racoon out of Spectre's body to the mouth and get Spectre to heave to get them out before the ship resizes and kills them both!

10 - Oh Come All Ye Thirsty

You find an advert for JonaCola Max - they fixed the exploding problem but there's another issue with a beast. Turns out Lovehart fed some to their new mascot - Father Cola - and they turned into a weird monster! Seems they have gone to Copper and are now on their way to Cooper's contraband merchant - a JonaCola dealer! You learn the meeting is happening in the garden but when you get there they've disappeared and you find a collar showing that the beast is property of JonaLabs. You ask Winter and find it's an experiment of theirs - you track them and find Rexford patched them up after Winter attacked them. You speak to Father Cola and they want you to fake their death! They just want their life back! You give Lovehart their old hat and convince them "the beast" is dead so that they will leave them alone once and for all

11 - There Was No Boat Ride

Hogwood is being gaslit - by Littlefield! Hogwood has been reminiscing about a boat ride (!) and Littlefield doesn't remember it. They give you a self obliteration form to take to Perigate who sends you to Rexford who also believes in the boat ride. You find talk of the "Great Undoing" and a test - it appears Dr Winter erased the boat ride successfully!
